FHC Meat Hall China Station and SME 14th China (Shanghai) International Meat Industry Exhibition

Thirteen years have been successfully held, and in 2019, more than 50 countries and regions have been invited to join forces. More than 3500 exhibitors from home and abroad have gathered in Shencheng to welcome nearly 120,000 professional audiences from home and abroad and 180,000 square meters of multi-museum interaction. This exhibition gathers the most authoritative leaders and experts from domestic and foreign industries, and integrates product exhibition, procurement, trade matching and forum activities. It will become an annual event for meat processing, food machinery and packaging technology industries.

FHC Meat Museum China Station in 2019 strives to become a professional exhibition platform for many overseas enterprises to enter the Chinese market. Based on the Yangtze River Delta and looking around the world, Shanghai New International Expo Center blossoms splendidly. We look forward to a win-win relationship with you in 2019.
